

Food & Beverage Industry Export Resource Forum

Taking Chicago's foodservice industry global!

Thursday, November 6th

3:00 PM - 5:00 PM

Hosted by ICNC

320 N. Damen Ave., Chicago, IL 60612

Drinks and networking to follow

Illinois food producers, as well as equipment manufacturers and other foodservice and restaurant industry suppliers have a wealth of support options available for expanding their international sales. This informational forum, panel discussion, and networking opportunity will map out the export resources available to food and beverage industry companies, including specialized market entry assistance and grant programs. Learn from experts as well as from successful small business food industry exporters about going global!

Panelists to include:

- Illinois DCEO Office of Trade & Investment
- Illinois Department of Agriculture
- US Commercial Service
- Food Export Midwest
- Successful local foodservice & food industry exporters
